For Wednesday's SVTC on the DHS mission, I need to provide info on Site Monitor. Here is the info I need:

- Breakdown of each structure at Site Monitor and its Q rating.
- If a structure is rated as Q4, then is it still authorized and/or advisable to be used by DHS for admin and/or wrap around facility use
- For my edification, how do we rate portable facilities. Some of the facilities there are relocatable and I'm not sure if we evaluate non-permanent structures.

Thanks.

Sir,

BLUF: Fort Bliss and HQDA are exploring authorities to offer Site Monitor facilities to LOGCAP and/or DHS for potential administrative use.

Support to DHS remains the priority of effort, although no further indication of a trigger to begin support.

POTENTIAL ADDITIONAL SUPPORT:

- Fort Bliss is prepared to offer Site Monitor (preexisting facilities adjacent to Parcel 2).
- Facilities are slated for future destruction, and use by either LOGCAP or DHS would not impact readiness or training. The facilities are not sufficient for housing purposes.
- Site Monitor could be used for LOGCAP C2 during contract execution or used by DHS for C2, or common area structures such as classroom(s), courtroom, media center, etc.

MEMORANDUM OF AGREEMENT (MOA): Draft DHS MOA continues FORSCOM GO/SES coordination.
